Forecast For West Midlands
Issued by Met Office Exeter
at 0400 on Tuesday 07 Sep 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Hot sunshine for many today.

Today:
Any fog patches in the morning will soon clear, to leave a fine day with prolonged sunshine across the region. Feeling very warm to locally hot. Maximum temperature 30 deg C (86 deg F).

Tonight:
Staying dry with late sunshine. Further clear skies into the night, bringing a risk of some fog patches. Feeling humid. Minimum temperature 14 deg C (57 deg F).

Wednesday:
Plenty of sunshine at first on Wednesday, and feeling warm to locally hot. Turning cloudier in the afternoon as cloud moves in from the southwest. Maximum temperature 29 deg C (84 deg F).

Outlook for Thursday to Saturday:
Scattered showers on Thursday, heavy at times and with a risk of thunder. Many areas dry on Friday and Saturday but some further showers are possible.
